

NSP SELF INKING

NSP self inking stamps are similar in appearance to the Vue Hand Stamp range. However they do not need a sometimes messy and space consuming ink pad.

The text is burnt into the die plate in the manner as an Ultimark or PSI self inking stamp.

Twelve ink colours are available

Recommended prices are very economical for a self inking stamp.

PLEASE ADD DELIVERY COST OF :

1 STAMP / ITEM	\$ 5.00
