Ultimark self inking stamps create the clearest impression of all the self inking stamps we manufacture.

They are perfect for the reproduction of artwork such as logos, etc.

The text or impression is burnt onto the text plate, the ink pad soaks through the text plate creating a perfect impression each time.

Artwork such as drawings, logos, etc need to be supplied in black and white with no background shading. They can be provided in print or emailed in a Jpeg format.

Call, fax or email Peter to discuss your special needs. 15 stamp sizes available
